Sam Houston Association of Computer Scientists Presents

THE

FOURTH

ANNUAL

FUTURE

TECH

CONFERENCE

SHACS FOURTH ANNUAL CALL FOR PAPERS

S H A C S

Sam Houston Association of Computer Scientists

Tracks:

Security

Technology surrounds our daily lives and the need to keep data safe has never been as important. This is the future of industry-leading tools in data recovery methods and digital evidence investigation.

Education

Molding the future of our society, Education is the key to building the future. Show us your best practices, latest innovations and fun stuff: Education doesn't have to be boring.

Entertainment

From video games to film the entertainment industry is always pushing the limits to bring us the next big thing.

Science!

Pushing the boundaries of technology and developing new techniques that will advance how we perceive the world around us. In other words…Impress us!

Faculty Advisor:
Li-Jen Shannon
lys001@shsu.edu

OVERVIEW:

Technology has changed the daily lives of people around the world and evolved into a culture all its own. The SHACS Future Tech conference brings together an interdisciplinary group of leading researchers, developers, practitioners, entertainers and educators interested in advancing their fields and the world around them through their unique applications of technology. Please join us March 3rd - 4th at Sam Houston State University in historic Huntsville, Texas. Discover the technologies that will define and shape the future of things to come.

SAM HOUSTON STATE:

For more than 130 years, Sam Houston State University has been preparing students for meaningful lives of achievement. Its motto, "The Measure of a Life is its Service," echoes across SHSU's eight colleges and beyond its Texas campus through student research, creative endeavors, service learning, volunteering and more. Named for Sam Houston, Texas' greatest hero, SHSU continually strives to honor its historical roots through academic excellence that includes exceptional teaching from faculty members who care as much about their students' success as they do about furthering the knowledge of their fields.

ABOUT SHACS:

The Sam Houston Association of Computer Scientists is the official ACM chapter of Sam Houston State University. SHACS was established in 1983. SHACS is a completely student lead organization that unites students, professors, and industry professionals to promote the sharing of knowledge, skills, and networks related to Computing Sciences field.

DATES TO REMEMBER

- Abstracts Due: December 12th, 2016

- Full Papers Due: February 13th, 2017

- Conference Dates: March 3rd – 4th 2017

DETAILS FOR PAPERS:

Colleagues from every sector are invited to submit papers and presentations under one of the four tracks listed on the left. Papers should desirably fit within one of the conference tracks. Our goal is to present state of the art innovative technologies, techniques, insights, and predictions by todays leading technologists. Time allotted for each presentation will be up to 50 minutes including time for questions from the audience. Please include estimated length of time required to present your topic. Colleagues may submit no more than two presentations per each presenter. Accepted papers will be published in the conference proceedings.

EXAMPLE OF POTENTIAL TOPICS:

- Newest Gadgets
- Automotive
- Anti-Forensics
- Multimedia Technologies
- Embedded Systems
- Etc...

ABSTRACT SUBMISSION REQUIREMENTS

Please submit a one-page proposal containing:
(a) Name of presenter(s)
(b) Title of presentation
(c) E-mail address, Fax number, mailing address
(d) Institution name, department and country
(e) Presentation title and 100-200 word abstract.

FINAL PAPER FORMATTING

All final papers must be camera ready for the conference proceedings in a .PDF ACM format. For more information on formatting and available templates please click on the link. http://www.acm.org/sigs/publications/proceedings-templates

All submissions must be sent to the official conference email: shacsfuturetech@gmail.com. For more information regarding the call for papers or general questions about the conference please click on the link to the official website: http://www.shacs.org/.
